Rodgers Group LLC
PO Box 831
Island Heights, NJ 08732

Dear Frank:

This letter is to express my gratitude and appreciation for the help and assistance your group provided to our agency during the accreditation process. The entire Rodgers Group team; Dan Walsh, Mike Rogers, Ted Bremer, Sam Hishman and Mike Peoples, expressed complete professionalism and excellent knowledge of the accreditation process. Without the direction of them, our agency may not have become successfully accredited.

I would like to thank you for giving us the opportunity to utilize your services and would ask that you kindly extend this thank you to the other members of the team, especially Dan Walsh. Dan's stamina and integrity to fulfill our endeavor to become an accredited agency was an incredible feat, which he conquered with great proficiency.

The knowledge and skill your group brought to this process was very impressive and each member needs to be recognized for their efforts. They were able to supply our agency with the much needed direction it was lacking while incorporating the best practices in law enforcement today, into our policies.

Again, I thank you and the Rodgers Group for all of the assistance provided to our agency during the accreditation process and I look forward to continuing doing business with your group in the future.

Respectfully,

Robert A. Austino
