Dear Frank,

I would like to thank you and your group for helping our department through the Accreditation process. This was a valuable learning experience for our agency and we have become a more responsible and professional organization because of it. I especially appreciate the work and time that Dan Walsh has put in with us. There were some long days but with his perseverance and encouragement, we were able get the job done. The training that you have provided has also been outstanding. I feel that with this training our officers will be more knowledgeable and better prepared to do their jobs. Lastly, thank you for introducing us to Guardian Tracking. I feel that this is an excellent tool to manage our department and I am looking forward to the future enhancements.

Again, my sincere thanks to you and your group for helping our agency reach this goal. I look forward to working with you in the future.

Sincerely,

Chief Thomas Preiser
