Frank,

I would like to take this opportunity to express my sincere gratitude for all of your hard work in helping prepare the Nutley Police Department for Accreditation with the New Jersey State Chiefs of Police Association. You and your team were right there, providing guidance and assistance whenever needed from the very moment that we began working together.

I would be remiss if I did not specifically recognize the hard work and long hours put in by our primary consultant Mike Rogers. Mike spent hours at our agency advising and, at times, working directly with our officers on the many projects necessary to satisfy the demanding requirements of police accreditation.

Everything came together on August 7th and 8th of this year during our On-Site Inspection. The many months of hard work and dedication culminated on November 10, 2011 when the Nutley Police Department was awarded full accreditation by the New Jersey State Chiefs of Police Association board in Princeton, NJ.

I believe that the services provided by you and your entire consulting team were a vital component to our success on this project. I have and will continue to highly recommend your services to any Law Enforcement Agency seeking accreditation.

Sincerely,

John U. Holland
Chief of Police
