Dear Lt. Col Rodgers:

The Plumsted Township Committee would like to extend our thanks and appreciation to you and your staff for the support you provided regarding the N.J. Chiefs of Police accreditation of the Plumsted Police Department. As you have already noted we received a "zero defects" in our accreditation on-site review that was conducted in October of 2010.

I would especially like to note the contribution made by Dan Walsh in his guidance and professionalism in working with our Police Leadership in their development of police policies and adherence to standards that allowed us to succeed in this endeavor in less than 18 months.

Using the Rodger's Group allowed Plumsted to save precious man hours and reduced the Townships exposure to liability, resulting in saving precious taxpayer dollars in achieving our accreditation.

It is my pleasure to invite you and any member of your staff to attend the Plumsted Police Department Award Ceremony on April 15, 2011 at 7PM at the Plumsted Municipal Building, 121 Evergreen Road, New Egypt, New Jersey.

Members of the N.J. Chiefs of Police Association, N.J. State Legislature and Plumsted Community Organizations will be acknowledging the achievements of Plumsted Police over the past year. High on this list will be a public acknowledgement of our accreditation. It is my hope that you can join us in recognizing our police department.

Please feel free to contact me at 609-758-2241 ext. 102 if I can be of any assistance.

Sincerely,

Ron Dancer, Mayor
