Mr. Frank E. Rodgers

The Rodgers Group, LLC

P.O. Box 831

Island Heights, New Jersey 08732

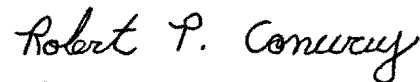

Dear Frank –

I would like to take this opportunity, on behalf of the Sea Girt Police Department, to personally thank you and your entire staff for assisting the Sea Girt Police Department during the self-assessment phase of becoming a State Accredited Law Enforcement Agency with the New Jersey State Association of Chiefs of Police. This tremendous accomplishment would not have been possible without the assistance of the Rodgers Group.

I specifically have to thank Mr. Michael Rogers, who you assigned to assist this department with our self-assessment. Mike may be one of the smartest people that I know. His training, experience and knowledge made our long and tiring journey to Accreditation as seamless as possible. The countless hours and effort that he spent with our Accreditation and Assistant Accreditation Managers did not go unnoticed.

I would highly recommend the Rodgers Group to any agency that is considering Accreditation. Never hesitate to have a potential client contact me for a recommendation. It would be a pleasure to do so.

Sincerely,

Robert P. Conway

Chief of Police
