Dear Mr. Rodgers,

Obtaining CALEA recognition is essential for contemporary law enforcement agencies. The process to become accredited can be daunting at times. As the Somerset County Sheriff's Office closely approaches CALEA recognition, I would like to recognize the efforts of Sam Hismeh, Project Manager of the Rogers Group for making a difficult and challenging process progress smoothly.

To be candid, there are times during the accreditation process where one desires to "tear out their hair." During those moments, Sam invariably eased all tensions and anxiety and kept the process moving on course. Sam is a true professional and he demonstrated that every moment we were in contact with him. I feel that his attention to detail, knowledge of the process, and ability to guide the sheriff's officers and supervisors has led to the impending successful completion of our accreditation.

Overall, I am extremely pleased with Sam's performance and I feel that his role was essential to our success. Our near flawless on-site inspection is a testament to that! It was a pleasure to work with him and I strongly feel that he should be recognized for his dedicated efforts. He is a class act! I would highly recommend your Group to other law enforcement agencies.

Sincerely,

A blue ink handwritten signature that appears to read "Frank J. Provenzano".
