P.O. Box 831
Island Heights, NJ 08732

Dear Mr. Rodgers, *Frank*

I am writing this letter to thank you personally for THE RODGERS GROUP support in assisting our police department in our endeavor to acquire the very prestigious honor of being a State Accredited Law Enforcement Agency under the terms of New Jersey Law Enforcement Accreditation Commission and recognized Nationally under CALEA national standards. Thanks to the assistance provided by THE RODGERS GROUP, the Wall Township Police Department has been successful in all phases of the Law Enforcement Accreditation program to date. We eagerly look forward to the final phase of the accreditation process, the commission review hearing, in Princeton Township.

Your project manager, Mike Rogers, was particularly impressive, going above and beyond, in his efforts to see that our police department was successful in this endeavor. Please convey my special thanks to Mike Rogers. Your consultant, Sam Hishmeh, should be commended for his efforts in seeing our agency to its success through the accreditation phases including the on site assessment.

I would also ask you to convey my sincere thanks to Mike Peoples and Ted Bremmer. Please tell all of THE RODGERS GROUP consultants that the sum of their contributions resulted in the success of the Wall Township Police Department in the Law Enforcement Accreditation program.

I look forward to seeing you at the commission review hearing in Princeton Township.

Yours sincerely,

David Morris
