Mr. Frank E. Rodgers
The Rodgers Group
P.O. Box 831
Island Heights, New Jersey 08732

Dear Frank,

I would like to begin by wishing you and your entire staff a very healthy, happy and prosperous New Year. The year 2010 went by so quickly, though I am not surprised, with all the work that had to be done. I still can't believe that our department will soon be added to the list of accredited departments.

I have searched for a way to adequately thank you and your staff for the truly exceptional and totally professional service that our department received from the Rodgers Group. Please know I am truly grateful for all that your organization did for us throughout the year. I am certain, without a doubt, that getting to this point with the program would have been impossible for our department without you. In all my years in this business I have never seen any organization provide such a devoted and personalized service as the Rodgers Group did. Thank you ever so much.

I would be remiss if I didn't extend a special thank you to Sam Hishmeh. As our project manager, he took a very sincere and personal interest in our department and all our officers individually. His presence, demeanor and determination made it possible for us to remain on schedule completing all the necessary requirements. He is a pleasure to work with and truly an asset to your group.

I look forward to a continued working relationship in 2011 as we will be retaining your services to complete the program and to assist us with maintaining our status. Once again thank you. It is an honor to be associated with and assisted by you and your organization.

Sincerely,

Chief Frank D. Regino
